

The pancake dough

Ingredients

For a dozen pancakes:

- 200 g of flour
- 3 eggs
- 1/2 glass of water
- 1 pinch of salt
- 1 tablespoon of neutral oil
- About 200 ml of milk

Preparation

In a bowl, mix the flour with the eggs, salt and oil.

When the mixture is smooth, add the water little by little.

Add the milk until the right consistency is obtained.

The dough will be better if you let it sit for 1/2 hour, covered with a cloth.
